Management et Gouvernance de Systèmes Informatique

2024-2025

TP 4 : Progiciels de Gestion Intégrée

Elaboré par :

Yassine Tabakna

Partie 1 : Crédation d'une liste des contacts

The screenshot shows the Odoo Contacts module interface. At the top, there are tabs for 'Contacts' (highlighted in blue), 'Configuration', and a notifications badge with the number '4'. On the right, it shows the user 'Administrator' and the company 'ensiasd2_Yassine'. Below the header is a search bar with placeholder 'Rechercher...' and a dropdown arrow. To the right of the search bar are navigation icons for page numbers (1-6 / 6) and various filters. The main area displays a table of contacts with columns: 'Nom', 'E-mail', 'Téléphone', 'Activités', and 'Pays'. Each contact row includes a checkbox, a small colored icon, and the contact's details. The contacts listed are: 'Administrator' (yassinetabakna@gmail.com), 'My Company' (yassinetabakna@gmail.com, 0675757575, Maroc), 'My Company, rachid' (rachid@gmail.com, 0675757575, Maroc), 'My Company, yassine' (yasakna@gmail.com, 0675757575, Maroc), 'manager' (manager@gmail.com, 0675757575), and 'responsable achat' (r.achat@gmail.com, 0675757575, France).

	Nom	E-mail	Téléphone	Activités	Pays
<input type="checkbox"/>	A Administrator	yassinetabakna@gmail.com		(i)
